Dear Simone,

Thank you for supporting Derbyshire, Leicestershire & Rutland Air Ambulance. We are always so struck by the kindness and generosity of people like you who make such efforts to keep us flying.

Your gift of £50.00 really does make a difference.

In 2016 we flew over a thousand missions across Derbyshire, Leicestershire and Rutland. Within minutes our critical care team can be on the scene delivering lifesaving care at road traffic collisions, sports events, and industrial accidents or for medical emergencies such as cardiac arrest and stroke. They effectively bring emergency hospital care to the patient – providing vital medical intervention to them at the earliest opportunity. They can undertake on-scene surgical procedures and administer a wide range of drug treatments. These things can make the difference between life and death. Whether our team gets to an incident by helicopter or car, what's important is that they are on scene to deliver critical care.

We do not receive any government funding and without the support of people like you we simply could not do the lifesaving work we do. We are lifted into the air by the generosity of people like you. Your continued support and that of many others ensures we can invest in the best people and equipment needed to provide one of the finest clinical services in the country.

Should you wish to find out more about our charity and see how your donation helps to deliver our service please visit our website [wndlrairambulance.org.uk](http://wndlrairambulance.org.uk) or call us on 03003 045 999.

Our trauma doctors, critical care paramedics and pilots couldn't do their job with the support people like you. So, on behalf of all of our team and all the patients and families whose lives they transform, thank you for your support. It means a lot to us and it means a great deal more to the people we help.

Yours sincerely,

Dear Ms Birch

On behalf of the team here at the Lincs and Notts Air Ambulance I would like to thank you and everyone who contributed towards the generous donation of £50.00 . Please find enclosed a certificate in recognition of everyone's kindness and generosity.

Your donation will help to ensure our Air Ambulance is available to respond to around 1,000 emergencies every year including road traffic collisions, cardiac arrests, sporting injuries and farming accidents. In the first 6 months of 2017 we have already responded to over 460 life-threatening emergencies.

Our new AW169 helicopter is now operational in Lincs & Notts. It is bigger, faster and has greater endurance, positively impacting upon the critical care we provide at the scene of an incident or accident. This year it will cost our Charity £2.5 million to run this service, donations like yours even more important.

Thank you once again for your support of the Lincs & Notts Air Ambulance. It is thanks to donations like yours that we can keep the Ambucopter in the sky, saving lives 365 days a year.

Kind Regards,
