Combined Awards

NORTH YORKSHIRE/SOUTH DURHAM TROPHY Presented to the driver who achieves the best combined result in the CCVT and the Comp. Safari. This is best calculated by disregarding Classes and listing competitors in a first to last order of merit for each event. Each driver then receives the number of points equal to his position in the list (ties in score or time receive the same points) and the two scores are added. The lowest score wins. So a driver who is first overall in the CCVT and fourth overall in the Comp. safari would get five points and would be beaten by a driver who is second overall in both events (only four points).
