12th December 2020

Dear All

GENERAL AND SCRUTINEERING & OFF ROAD COMMITTEE MEETINGS

Please find enclosed with this letter copies of the ALRC AGM and S&ORC meetings minutes held on the 14th November 2020 and the agendas for the next meetings to be held on the 13th March 2021. At this time we are not sure if we will be able to meet in person or will need to hold a Zoom meeting and this will be confirmed nearer the time

The minutes are sent direct to the ALRC Council, all club secretaries and delegates, the Scrutineering & Off Road Committee and Log Book Scrutineers but I would be grateful if you could distribute this information to all members of your clubs. If you have any topics that you would like to raise at the next meetings please let me have them so they can be added to the agenda.

CHANGES TO THE ALRC SUPPLEMENTARY COMPETITION REGULATIONS

At the ALRC S&ORC meeting held on the 16th November 2019 the following Competition Regulation clarification was recommended to go forward to the ALRC Council for their discussion. It was ratified by the ALRC Council on the 13th November 2020

C.3. ENGINES.

C.3.1. Any Land Rover or Rover car engines (and others with Rover part numbers) may be used complete with their ancillaries subject to A2.

At the ALRC S&ORC meeting held on the 14th November 2020 there was further discussion about C.3.1 and it was agreed to hold a second meeting to be attended by those already present so that the wording in A2 could be looked at again. At the second meeting held on the 3rd December 2020 some clarifications were made to A2 and the engine table included within it and this was then sent to all who had been unable to attend the meeting for their comments. These will now go forward to the ALRC Council for their consideration on ratification.

I hope you all continue to stay safe and would like to wish you all a Happy Christmas and look forward to seeing you in 2021.

Yours sincerely
