Event sponsored by BME.

An advertisement for Barnwell Motor Engineering (BME). At the top, the text 'BARNWELL MOTOR ENGINEERING' is displayed in a spaced-out font. Below this is the slogan '"A main dealer experience without the cost"'. The central focus is a dark-colored Range Rover SUV with its headlights on. To the left of the car is the BME logo, which consists of a stylized white swoosh and the letters 'BME'. Below the logo are five white stars and the text 'Call us NOW' followed by the phone number '01908 618 518'. To the right of the car, the 'RANGE ROVER' text is visible, along with the Land Rover oval logo and the Jaguar leaping cat logo. The background is dark, making the car and logos stand out.
